With Kumon, children master the basics of math and reading the same way they learn a musical instrument or athletic skill...through daily practice.

If you enjoy working in an enriching and challenging environment and can accommodate children as young as 4 years of age, then Kumon may be just the part-time opportunity you’ve been looking for. Hourly pay starts at $8-10 and would be commensurate with experience.

Typical work hours would be twice weekly (Mon. and Thur. from 2-7pm) with an opportunity for more hours...ideally suited for responsible teenagers or adults with flexible schedules.
